

2025 Miscellaneous Roadway
Improvements Project Update

City of Lakeville Public Works

Construction Update

Private Features in City Right-of-Way

If you wish to protect private features from damage during construction, please temporarily remove them from the City right-of-way. [Visit the project website for a video demonstration of areas impacted by construction.](#)

[Get the most up to date construction schedule and phasing map \(PDF\).](#)

The schedule may be shifted due to weather and unexpected delays.

Phase 2: Ireland Way Neighborhood

- **Week of July 7:** Roadway paving will take place towards the middle of the week. Any remaining items and removal of traffic control will also occur.

Phase 3: Downtown Area

- **Week of July 7:** City staff will be marking curb and sidewalk removals with white paint in preparation for the contractor to begin work the week of July 21. Please remove any irrigation, dog fence or landscaping from these areas if you wish to protect them from damage. Underground utilities will be marked as well.

We estimate beginning Phase 4 & 5 the week of July 21.

Further updates will be provided as the project progresses. ***The schedule may be shifted due to weather and unexpected delays.***

Please be cautious and reduce vehicle speeds when approaching crews working in the roadway. Construction personnel will notify drivers, via hand signals, when it is safe to pass around moving equipment.

Contact Jake Johnson, the onsite City Project Representative, at 952-985-2794 or jjohnson@lakevillemn.gov for more information.
