

*2025 Miscellaneous Roadway  
Improvements Project Update*

City of Lakeville Public Works

---

## Construction Update

---

### Private Features in City Right-of-Way

If you wish to protect private features from damage during construction, please temporarily remove them from the City right-of-way. [Visit the project website for a video demonstration of areas impacted by construction.](#)

[Get the most up to date construction schedule and phasing map \(PDF\).](#)

***The schedule may be shifted due to weather and unexpected delays.***

### Phase 3: Downtown Area

- **Saturday, August 5:** The contractor will add topsoil in the disturbed areas along the sidewalk and curb, then seed and blanket those spots. Any assistance with watering the newly seeded soil would be greatly appreciated.
- **Week of August 11:** The contractor will proceed with restoring any disturbed areas if this has not yet been finished.

### Phase 3: Market Plaza

- **Week of August 11:** At the beginning of the week, the contractor plans to pour concrete for the Market Plaza's curb, sidewalk and drive lane. Paver reinstallation will follow.
- **Week of August 18:** Paver reinstallation will continue.
- **Week of August 25:** The painting of parking stalls, along with the restoration of topsoil and turf, will occur.

### Phase 6: Kensington Park and Ipava Trails

- **Week of August 11:** The contractor will reclaim the trails and overlay them with new asphalt, followed by the rehabilitation of the soil and grass.

### Phase 5 will likely begin the week of August 18

Further updates will be provided as the project progresses. ***The schedule may be shifted due to weather and unexpected delays.***

Please be cautious and reduce vehicle speeds when approaching crews working in the roadway. Construction personnel will notify drivers, via hand signals, when it is safe to pass around moving equipment.
