

2025 Miscellaneous Roadway Improvements Project Update

City of Lakeville Public Works

Construction Update

Private Features in City Right-of-Way

If you wish to protect private features from damage during construction, please temporarily remove them from the City right-of-way. [Visit the project website for a video demonstration of areas impacted by construction.](#)

[Get the most up to date construction schedule and phasing map \(PDF\).](#)

The schedule may be shifted due to weather and unexpected delays.

Phase 3: Downtown Area

- **Week of September 2:** The contractor will mill and pave the roads.
- **Week of September 8:** Any remaining items and the removal of traffic control will occur.

Phase 3: Market Plaza

- **Week of September 2:** The painting of parking stalls, the sealing of concrete/pavers, and the restoration of topsoil and turf will occur.

Kensington Park

- **Week of September 2:** The contractor will pave the trails, and start the rehabilitation of the soil and grass.

Phase 5 will likely be postponed into September due to wet conditions.

Further updates will be provided as the project progresses. ***The schedule may be shifted due to weather and unexpected delays.***

Please be cautious and reduce vehicle speeds when approaching crews working in the roadway. Construction personnel will notify drivers, via hand signals, when it is safe to pass around moving equipment.
