Lakeville Police Respond to Fatal Helicopter Crash

Lakeville, Minn. — On September 6, 2025, at approximately 2:45 p.m., Lakeville Police responded to a report of a helicopter crash in an area west of Airlake Airport. Officers located the downed aircraft west of Highview Avenue, near 219th Street West.

Responding officers, along with members of the Lakeville Fire Department, determined there did not appear to be any survivors of the crash. The crash site is located in a non-residential, non-commercial area, and there is no indication of any impacted individuals beyond those onboard the aircraft.

The Federal Aviation Administration (FAA) and National Transportation Safety Board (NTSB) have been notified and will be responding to the scene. These agencies will lead the investigation. Information regarding the cause of the crash, details about the aircraft, the number of occupants and other related information will be released by those agencies following their preliminary investigation.

The identity of any deceased individuals will be released by the Hennepin County Medical Examiner's Office in the coming days.
